Laura Fosnocht, HS Philosophy Club member, had her photo submission accepted for publication in the upcoming journal of Questions magazine. Distributed by PLATO, a highly respected journal focused on the study of Philosophy in grades K-12.

“The photo is based off of Romeo and Juliet. The mask is meant to resemble how they met at a dance. I also added a postcard with flowers and a skull behind everything to resemble life and death. The ideas of life and death are the some of the main themes of Romeo and Juliet, which is why I chose those symbols”
