August 4, 2021

Dear Parent/Guardian and Student,

Welcome to Kutztown Area High School's 2021-2022 school year.

We are excited about the upcoming school year and having everyone together again in high school. There have been some recent changes over the summer that will usher in the return to a normal school year. The high school auditorium, D17 and D18 underwent a complete renovation. Guests in the auditorium will have new chairs, repainted walls and ceilings, and a new floor. Students in D17 and D18 will have new seats with larger work space, repainted walls and ceilings and a more spacious layout. Additionally, the parking lot has been repaved, and an outdoor basketball court was added by the stadium.

To help with communication, please be sure to fill out and return all enclosed school forms. **It is of the utmost importance to have updated parent/guardian contact information on file including parent/guardian email addresses** which is listed on the purple student information sheet.
