Hello Incoming 8th Graders,

As the school draws to an end, the English Language Arts (ELA) department has exciting news to share with you about summer. We are continuing the Cougars & the Community Read Summer Reading initiative! This summer, we are expecting you to read at least ONE book of your choice and complete an assignment based on this book. We want you to read, read, read and want each of you to have access to books. The Cougars & the Community read initiative is providing students books. Read below to see how.
