**Public Comment**  
Jeff Huffert, KATA President, expressed concern on extending teacher work days due to their continuity of education from March 13rd until mandatory virtual learning in April. IE: Many teachers voluntarily worked more than eight days preparing for mandatory virtual learning. Mr. Huffert also quested the raise for employees in the Act 93 Agreement.

Warren Shaub questioned if there was a clear plan for graduation and if consideration was given to a drive-thru diploma ceremony. Mr. Shaub also expressed his concern of the Per Capita tax collection process and procedure.

**Adjournment**  
Motion made by Caecilia Holt, seconded by Michael Hess, to adjourn the meeting at 8:55 p.m.

Motion carried unanimously.

Respectfully Submitted by,

Rikki L. DeVough  
School Board Secretary
KUTZTOWN AREA SCHOOL DISTRICT

2020-2021 Homestead and Farmstead Exclusion Resolution

RESOLVED, by the Board of School Directors of Kutztown Area School District, that Homestead and Farmstead Exclusion real estate tax assessment reductions are authorized for the school year beginning July 1, 2020, under the provisions of the Homestead Property Exclusion Program Act (part of Act 50 of 1998) and the Taxpayer Relief Act (Act 1 of 2006), as follows:

1. Aggregate amount available for homestead and farmstead real estate tax reduction. The following amounts are available for homestead and farmstead real estate tax reduction for the school year beginning July 1, 2020:
   
a. Gambling tax and CARES Act funds. The Pennsylvania Department of Education (PDE) has notified the School District that PDE will pay to the School District during the school year pursuant to Act 1, 53 P.S. § 6926.505(b), as a property tax reduction allocation funded by gambling tax and CARES ACT funds, the amount of $610,663.58.
   
b. Leftover from prior year. The undistributed amount leftover from 2019-20 gambling funds is $91.54.
   
c. Aggregate amount available. Adding these amounts, the aggregate amount available during the school year for real estate tax reduction is $610,775.12.

2. Homestead/farmstead numbers. Pursuant to Act 50, 54 Pa. C.S. § 8584(i), and Act 1, 53 P.S. § 6926.341(g)(3), the County has provided the School District with a certified report listing approved homesteads and approved farmsteads as follows:
   
a. Homestead property number. The number of approved homesteads within the School District is 3,043.
   
b. Farmstead property number. The number of approved farmsteads within the School District is 191.
   
c. Homestead/farmstead combined number. Adding these numbers, the aggregate number of approved homesteads and approved farmsteads is 3,234.

3. Real estate tax reduction calculation. The school board has decided that the homestead exclusion amount and the farmstead exclusion amount shall be equal. Dividing the paragraph 1(c) aggregate amount available during the school year for real estate tax reduction of $610,755.12 by the paragraph 2(c) aggregate number of approved homesteads and approved farmsteads of 3,234 (before considering the assessed value of approved homesteads and approved farmsteads having an assessed value below the preliminary calculation of the maximum real estate assessed value reduction amount to be established as the homestead and farmstead exclusion amount), the preliminary calculation of the maximum real estate tax reduction amount applicable to each approved homestead and to each approved farmstead is $188.85.
Based on calculations provided by the School District Business Office from the best available information and carefully evaluated by the School Board, considering the assessed value of approved homesteads and approved farmsteads having an assessed value below the preliminary calculation of the maximum real estate assessed value reduction amount to be established as the homestead exclusion and the farmstead exclusion amount, an additional aggregate amount of $2,083.08 will be available during the school year for real estate tax reduction applicable to approximately 3,202 homesteads and farmsteads, resulting in an additional real estate tax reduction amount available for each homestead and farmstead of $.65. Adding this additional amount to the preliminary calculation of the maximum real estate tax reduction amount of $188.85, the final maximum real estate tax reduction amount applicable to each approved homestead and to each approved farmstead is $189.50.

Next BCIU Board Meeting: Thursday, June 18, 2020
As the BCIU has worked to deliver the highest level of services in a remote environment for more than two months, the organization’s Leadership Team has been planning for the eventual reentry to the workplace in one way by developing the BCIU Safe Six: Workplace Readiness Essentials.

The Safe Six document is a checklist of procedures and protocols which will provide guidance as it is determined that restrictions across the Commonwealth will be lessened during the transition through the red, yellow, and green phases in accordance with Governor Wolf’s decision-making plan.

The plan outlines the following six key focus areas and related procedures and protocols.

- Prepare Facilities and Vehicles
- Prepare Staff
- Control Access and Security
- Social Distancing
- Cleaning and Reduce Touchpoints
- Communications

The BCIU Leadership Team remains committed to developing a reentry plan that keeps the safety and well-being of staff and the students and families we serve at the forefront of their decisions. As advice and guidance evolve, so too will the BCIU’s plans to ensure our staff, students, and community are safe from the continued spread of COVID-19.
On Wednesday, April 22, the Berks County Intermediate Unit hosted its first Berks County Community Officials’ Virtual Roundtable. The theme of the event was “Health, Safety, and Forecasting the Future.”

Berks County Commissioners Christian Leinbach, Kevin Barnhart, and Michael Rivera, along with representatives from multiple county agencies joined education leaders from Berks County’s 18 public school districts to discuss the County’s plans for moving forward and how schools are – and can continue to be – a community resource during the COVID-19 pandemic.

Berks County District Attorney John Adams; Brian Gottschall, Director of Berks County’s Department of Emergency Services; Paul Janssen, Director of the Berks County Center for Excellence in Local Government; and Dr. Edward Michalik, Administrator for the Berks County Mental Health and Developmental Disabilities Program, provided updates regarding their programs and services.

We thank all those who were able to participate and look forward to continued collaboration with our Berks County officials.

On Wednesday, April 22, the BCIU hosted a virtual roundtable that included community officials and education leaders from across Berks County. The BCIU has also facilitated roundtable discussions on the impact of COVID-19 with legislators in Harrisburg. The most recent Legislative Roundtable was held on Thursday, May 21.
Cristen Fiorani, School Age Speech and Language Therapist in the Office of Early Childhood and Student Services has been named Employee-of-the-Month for March 2020.

Brian Hocking, Program Administrator for Special Education in the Office of Early Childhood and Student Services shares, “Cristen demonstrates a high level of initiative. She encourages others with her can-do attitude. Cristen’s coworkers and supervisor rely heavily on her involvement in programming, services, and projects.”

Cristen earned her bachelor of science degree in Special Education – Speech and Language from Kutztown University, completed graduate work in Language and Literacy through the University of Massachusetts – Lowell, as well as Autism and Response to Intervention through Augustana University. She has worked for the BCIU for 15 years.

Cristen grew up in East Norriton, Pennsylvania and now lives in Douglassville. She has been married to her husband, Sam, for 22 years. They have twin daughters Laura and Olivia attending West Chester and Penn State University / State College. Their son, Nicholas is a sophomore at Daniel Boone High School.

Outside of work, Cristen enjoys reading, gardening, traveling, and volunteering in her church as well as with her children’s dance, swimming, marching band, and Boy Scout activities.

As a speech and language therapist, Cristen shares, that the best part of her job is helping to teach her students to have a voice to share their wants, needs, feelings, and aspirations.
Rodney Good, Safety and Training Supervisor in the Office of Business Services / Operations, has been named Employee-of-the-Month for May 2020.

Eric Clemmer, Assistant Director for Operations in the Office of Business Services, shares, “Rodney’s knowledge of safety precautions and networking with Emergency Responders has always been a great asset to the BCIU; however, especially during this health crisis, his service has been extremely valuable. Rodney has been working all shifts, has helped to find new solutions for cleaning and disinfecting, and was able to help us locate hard to find Personal Protective Equipment (PPE) for our essential workers.”

Rodney graduated from Ephrata High School and Lancaster County Career and Technology Center studying refrigeration and heating ventilation and air conditioning service. He has worked for the BCIU for over 18 years.

Rodney grew up in Ephrata and now lives in Reinholds with his wife, Lori and their two sons, Jamison, nineteen and Preston, fourteen. Jamison is enrolled in the Protective Services Academy at Lancaster County Career and Technology Center. Preston is in eighth grade at the Cocalico Middle School.

Rodney is a huge fan of the 1970's television show “Emergency” and of the Philadelphia Eagles. As an Eagle Scout, he enjoys helping with his son’s Boy Scout troop and working as an EMT in his community.

Rodney shares that he enjoys meeting many employees every year through CPR / First Aid and Fire Safety trainings. As he oversees the BCIU Safety Committee, the Berks County Flight Team, Camp Connect, and is the supervisor of the custodial staff, Rodney is thankful for having so many helpful and talented employees who are always willing to lend a hand.

RE: Legislative Update

FEDERAL LEGISLATIVE NEWS

1. **House Funding Bill** – According to the Pennsylvania Association of School Administrators (PASA), new legislation from House Democrats would provide nearly $60 billion to K-12 school districts to help address the COVID-19 pandemic. The Health and Economic Recovery Omnibus Emergency Solutions (HEROES) Act would create a $90 billion “state fiscal stabilization fund” for the U.S. Department of Education to distribute to K-12 as well as higher education. After deducting a share of the money for administrative and other expenses, 65% of that fund, or about $58 billion would go through to states for local school districts, with 30% set aside for public colleges and universities. The bill would also provide $1.5 billion to help schools and libraries provide internet services through an Emergency Connectivity Fund at the Federal Communications Commission.

2. **Extended School Meal Waivers** – On Friday, May 15, 2020, waivers from rules for school meal programs that were set to expire on June 30, 2020, or when the official federal public health emergency ends, were extended by the U.S. Department of Agriculture until August 31. This allows schools to continue to feed students affected by the closures due to the COVID-19 pandemic through the summer months.

STATE BUDGET & FINANCE NEWS

1. **Federal CARES Act Funds and Senate Bill 1108** – The first bucket of federal CARES Act funds was made available last week. On Wednesday, May 13, 2020, PA Secretary of Education Pedro Rivera announced that school districts and charter schools may begin applying for Elementary and Secondary School Emergency Relief Fund (ESSER) funds via eGrants. The Pennsylvania Department of Education (PDE) is continuing to move forward with the allocation process. In addition, the General Assembly is working to move Senate Bill 1108 through the legislative process. SB 1108 would officially appropriate the federal funds to PDE for distribution.

   According to the Pennsylvania Association of School Administrators’ education update, Secretary Rivera also cautioned district leaders about the use of CARES funding. “When planning for local use, remember that CARES Act funding is a one-time, emergency aid. Accordingly, consider how this funding interacts with your other federal funding, and the role of enhanced funding flexibilities, to ensure strategic and sustainable use.”

   On May 7, PA Secretary of Education Pedro Rivera sent a letter to the United States Department of Education, questioning the Department’s interpretation of the CARES Act and noting that the calculation favoring private schools is not in line with the intent of targeting funds to schools with high numbers of students in poverty, as is Title I funds. To view the letter click here: [letter]

2. **Property Tax Freeze** – During the week of May 11, 2020, several amendments were listed to property tax freeze bills, House Bill 1776 (Rep. Cox-R, parts of Berks and Lancaster counties) and House Bill 2431 (Rep. Gleim-R, part of Cumberland County). Both bills are currently sitting on the House floor. The Pennsylvania Association of School Business Officials (PASBO) is closely monitoring these bills.
3. **Taxpayer Flexibility** – House Bill 2460 (Rep. Stephens-R, part of Montgomery County) was considered by the House Finance Committee on Tuesday, May 19. This bill would extend the property tax discount period by 30 days in every school district and would also eliminate the penalty through December 31, 2020 (or through a period of six months from issuance of the bill). The House Finance Committee moved HB 2460 to the floor for consideration next week. The bill was amended to provide some technical clarifications in Committee and is expected to have an additional technical amendment on the floor to deal with some additional and ongoing technical issues, according to PASBO.

4. **State Budget and ESSER Funds** – PASBO is working through details about how the ESSER funds will interact with 2020-2021 state funding. There are indications that there will be an attempt to level-fund several education line items in a 12-month budget, while others may be moved to a five month state budget, allowing the legislature to come back in the fall to negotiate based on more accurate revenue numbers and/or additional federal stimulus dollars.

**ADVOCACY EFFORTS REQUESTED**

1. **Request from AASA: Advocacy of Five Key Issues related to COVID-19**
   As Congress continues to negotiate the details of the next COVID-19 package—one that could include significant funding to support state and local governments, including school districts—it is important we keep the pressure on Congress to act and to help them understand what the needs are and the specific type of policy relief—funding and flexibility—that would be most helpful. AASA has summarized the five areas of action here: [https://aasa.org/policy-blogs.aspx?id=44711&blogid=84002](https://aasa.org/policy-blogs.aspx?id=44711&blogid=84002) and asks that you weigh in on COVID-19 response priorities, including funding, support for E-Rate and remote learning, equitable services, IDEA flexibility, and details related to reopening.

2. **Request from PASA and AASA: Federal CARES Act**
   PASA and AASA oppose the guidance as released. AASA has created a quick and concise template to assist school leaders in communicating to members of Congress about how the flawed interpretation's failure to calculate the private school share based on poverty results in a significant increase in private school allocations. You are asked to complete the template with your name, district name, and the percentage of your district's FY19 (2019-20 school year) Title I and Title II set-asides for equitable services. The template can be accessed here: [template](https://example.com/template). For information on how to submit your comments to Congress, please reach out to PASA or Chris Rogers at AASA (crogers@aasa.org).

**STATE LEGISLATIVE NEWS**

1. **Continuity of Education Plan Hearing** – On Monday, May 11, 2020, the Senate Education Committee held a public hearing on the continuity of education during COVID-19. It was noted during the hearing that all school districts have submitted their COE plans to PDE, according to Secretary Rivera. Both PDE and school districts are already developing plans and ideas for how to go back to schools in the fall.

2. **Senior Volunteers and Property Tax** – House Bill 1076 (Rep. Hennessey-R, parts of Chester and Montgomery counties) was passed by the Senate 49-0. This bill would allow school districts to establish a program benefitting taxpayers 60 years or older who provide volunteer service to the school district by granting a reduction in their property taxes. These services could not replace or supplant existing job positions, and districts would be permitted to seek private and public funding sources to support the program. HB 1076 now goes to the Governor. Governor Wolf has until May 24 to sign this bill.

3. **House Education Committee Meeting** – The House Education Committee is scheduled to meet on Thursday, May 28, 2020, at 1:00 p.m. in Room G-50 of the Irvis Office Building. The informational meeting is being held to discuss plans to safely reopen schools in the fall due to COVID-19. The Pennsylvania Association of School Administrators has been asked to participate in the meeting.

4. **House Bill 703** (Rep. Brown-R, parts of Monroe and Pike counties) – This bill would require school districts and charter schools to post email addresses for their school directors and board of trustees members on their LEA websites.
LEGISLATIVE CALENDAR

The Senate canceled its scheduled session days for this week. The House is in session this week and is also scheduled to be in session May 26 and 27. There have been numerous changes to the published schedule this spring, particularly in the House. Sometimes these changes are made with only a day’s notice, so the schedule of voting session days could change at any time.

**PERSONS DESIRING TO BE HEARD**
Dr. Kraft thanked the administrative staff for all hands-on deck and performing as a team through the transition to the virtual work environment.

Dr. Hackman recognized Dr. Kraft for his demonstration of leadership during these unprecedented times. She also recognized the team for putting together a very successful and innovative Continuity of Education Plan.
She indicated that there is a daily check-in with Superintendents where they have shared information and held roundtable discussions on pertinent topics. Out of the 28 days of quarantine they have met 20 times. The meetings are helpful to continue to keep connected and sharing information for administration to share with their teams. She acknowledged Dr. Kraft for his attendance and active participation at these meetings.

She also acknowledged our administrators for participating in Job-A-Likes to share information amongst the 28 18 Berks County school districts.

BCTC has done a great job at communicating with parents, students, faculty and staff about the procedures during this pandemic. It’s been great to see the leaders leading and the teachers teaching. Be safe and be well.

Mr. Gary Reinert shared that he attended his board meeting and a fellow board member asked how we as a CTE were teaching since most of our classroom time is hands-on. To his surprise, the Dr. Miller, the superintendent knew exactly what we were doing. This communicated to him that BCTC is doing a great job communicating with our districts.

**ADJOURNMENT**

*A motion* was made by Mr. Carl and seconded by Mr. Scott to adjourn the meeting at 8:21PM.

**Yeas:** Sixteen. **Nays:** None. **Motion carried.**
