The Board directed the administration to further research the need for extra features on the vans, such as a specified chrome package and gas mileage pricing.

This is expected to be an agenda item for approval on the Monday, April 18th School Board meeting agenda.

**General Fund Budget Draft III**
Mr. Lazo commented that the administration has been working long hours in finding any way we can save money, due to revenues that have shrunk.

Mr. Olschesky reviewed line-by-line a revised 2011-2012 proposed budget (Draft III). It is noted Draft III of the 2011-2012 budget includes the furloughing of 8.75 teaching positions and 13 support positions.

The Board directed the administration to budget the cost of the high school roof from the Fund Balance.

**Public Comment**
Erin Kraal asked what the goal the District is aiming for in a normal class size, following the teacher position cuts.

Keith Rohrbach questioned if the two retiring teacher positions will be filled, and how soon will the administration notify the staff that would be furloughed.

Randy Burch asked for clarification on the minor programmatic changes due to furloughing teachers.

Claire Kempes stated the previous goal of the District was to have elementary class sizes between 15 and 17.
Kevin Stump questioned that if declining enrollment is a large issue, why is the District not considering closing an elementary building.

Joan Baldwin stated she is a proud taxpayer in the District, and is willing to pay the maximum increase in taxes and recommended the District apply for exceptions to raise taxes above the index. She also urged the Board to reconsider furloughing teachers.

**Adjournment**  Motion made by Jo Stevens, seconded by Leon Smith, to adjourn the meeting and convene into Executive Session at 9:27 p.m.
