Mr. Gross reported each year the district gives all students across the district the opportunity to enter a holiday card artwork design for our district holiday card. Mr. Gross recognized this year’s winner, Brock Rabenold, a seventh grade student for his outstanding accomplishment and talent. Brock was presented with a framed copy of the 2009-2010 Kutztown Area School District holiday card featuring his artwork.

Mr. Gross shared that the Kutztown Area School District obtained Adequate Yearly Progress status, a statewide recognition, for the second consecutive year. Kutztown Area School District is the only district in Berks County to obtain this recognition for all of its buildings. Mr. Gross extended his congratulations to teachers, administrators, and the board for helping the students and district obtain these awards.

Mrs. Bealer reported Act 32 put out bids to find a solicitor. Until a solicitor is contracted, nothing further will happen with the bill.

Pastor Ritter reported seven (7) new board members were seated last meeting. The previous officers were re-elected to their seats.

Mrs. Stevens reported Alan Angstadt, head girls soccer coach, attended the meeting to discuss and speak on the following issues:

- A standard policy for academically ineligible participants;
- A drug and alcohol policy extended to the extra curricular students;
- A request for a second assistant girls soccer coach due to the increase in participants.

Mrs. Stevens reported the first meeting of the committee was held last week. A very in-depth discussion was held, and the meeting could have lasted all night.

Mrs. Bealer reported HB 2135 was approved, which introduces a new type of pension for oncoming teachers. This is a hybrid of the current pension, and will help districts financially with the PSERS rate increases.

Dr. Darion reported the committee discussed the AYP awards, and is using a self-evaluation tool for continuous improvement called Getting Results. A Rigor Committee representative raised a concern that the state standards are setting a ceiling, and not a floor in regards to student progress. The Rigor Committee is evaluating options to increase the progress of affected students.
