Assembly

5/13 Jazz Band Assembly

Practice the subtraction
cards daily.

Language Arts

We finished reading the Josefina Story Quilt. We learned about what life was like for the early pioneers of our country. Each day we read a chapter and discussed the events. We focused on the characters and main events of the story. Maps were read to see the westward movement. The children had to decide which supplies were needed for the journey. Only the most important things could be taken in the covered wagon. The main character made patches to illustrate events on the journey. The children designed their own patches.
