Jan. 18- Book Reports Due  
Jan. 21- Make-Up Day  
Jan. 22- 2nd Quarter Ends

## Announcements

## Subject Updates

### Mathematics

We are working on Chapters 8 and 9. These chapters focus on long division. Students are still working on multiplication flashcards, and those students not progressing quickly need to be practicing for 10 minutes each night at home.

### Reading

We are reading our next core book, The Bread Sister of Sinking Creek. Students will have quizzes throughout the book. Along with this book, we will be doing mini-lessons on making inferences and author's purpose.

Also, please make sure that your child is reading the Time for Kids magazine each week, and preparing for the quizzes each Monday.

### Writing

We are working on a New Year's resolution piece.

### Science

We started force and motion. We will have a quiz on Monday, Jan. 21. Students will get their study guides tomorrow.

### Social Studies

We are working on Chap. 5. The test will be on Jan. 18. Students should be studying their study guides.

### Spelling

The spelling words for this weeks are: that's she'd they've, weren't, doesn't, isn't, wouldn't, wasn't, aren't, we're, you'd, don't, I'm, hadn't, haven't, didn't, shouldn't, let's, couldn't, and they'll.

*Just a reminder that every Friday in the month of January is Read a Shirt Friday. Please have your child wear a shirt with words on it.*

*There is a progress report in tonight's Monday folder. Please sign and return as soon as possible.*

Days This Week: F,A,B,C,D
