

Welcome to ESAP

Attached is a permission letter along with information on what ESAP is. We hope this will answer some of your questions. We want you to feel a part of the team as we work together to help your child be the best student possible.

Also attached is a counseling resource list that you may find beneficial. This is not a complete list of all counselors in the area, but rather a place to start.

We look forward to working with you!

Student Assistance Team Members:

Erin Anderson, Principal
