Informational Items Possible Online Learning for Senior Student

Mr. Lazo reviewed the background of an upcoming senior who is a world class cyclist who will be competing around the country on and off throughout his senior year. The student was planning to dis-enroll; however, the student will not be traveling all year. Since he has enough credits to graduate his senior year, the administration would like to offer the student online courses to accommodate his four major subjects. The student is academically sound, and the administration has teachers willing to work with him in an online program.

Used Textbook Donations

Mr. Lazo announced the District, at all levels, is in possession of outdated textbooks that the administration would like to donate. The Board will receive a report of each book title, copyright, and association they will be donated to once a final decision has been made.

Policy Review The Board and the administration reviewed and discussed the PSBA recommendations for policy wordings for Policies 318-325.

Open Forum Mr. Lazo acknowledged the Board Members who took the interest in attending the services of our two recent graduates who passed away last week.

Mrs. Faust thanked the faculty and administration for their efforts in addressing the tragic events of last week.

Adjournment Motion made by Jo Stevens, seconded by Amy Faust to adjourn the meeting.
Motion carried unanimously.

Respectfully submitted by,

Rikki L. Clark
School Board Secretary
